SCOTT A. ANGELLE
SECRETARY

DEPARTMENT OF NATURAL RESOURCES OFFICE OF THE SECRETARY

August 30, 2004

Dear Friends and Visitors to DNR,

This Strategic Plan for the Louisiana Department of Natural Resources (DNR) covers the Fiscal Year 2005-06 to Fiscal Year 2009-10. This document is considered a work in progress having evolved with input from appointed staff, internal staff and members of a select legislative team. We appreciate the hard work and contributions of all involved in the process.

The department's Vision, Mission, and Philosophy shape the foundation for the working plan of action we present in this report. The department's four major offices along with the Office of Management and Finance have each prepared its own plan.

We pledge to the citizens of Louisiana that we are open to all lines of communication and we understand the need to adjust our objectives or make changes when necessary.

Sincerely,

Scott A. Angelle
Secretary
